

## GUARDIANSHIPS

- Appointment of a guardian may be needed if:
  - An elderly parent can no longer manage his or her affairs
  - An individual suffers from mental health problems
  - An adult child has disabilities
  - A minor child needs a court-appointed guardian for financial or other reasons
- Established as a leader in guardianship law in Montgomery County, the State of Maryland and the region
- Headed by Kim Viti Fiorentino, Esquire, with almost a decade of experience in assisting families with the appointment of a guardian
- We pride ourselves on using our legal skill and compassion to deliver the following services:
  - Helping to decide whether appointment of a guardian is necessary
  - Preparing documents to petition the court
  - Communicating with physicians and mental health care professionals
  - Assistance with post-appointment issues, including preparing annual accounts and reports for the court
