Jacob S. Frenkel brings his unique perspective as a former state and federal criminal prosecutor and former SEC Enforcement lawyer to his leadership of the Firm's Securities Enforcement, White-Collar Criminal, Corporate Investigations and Corporate Governance practices. Jacob is an internationally recognized expert media commentator about high profile corporate fraud, securities and corporate governance matters for such major domestic and international television and radio networks, print wire services and international publications as CNBC, NBC, CBS, BBC, Bloomberg, Reuters, Associated Press, Agence France Presse, and the Wall Street Journal.

Jacob's practice emphasizes the representation of corporations and their officers, directors and other senior officials in federal and state securities investigations, proceedings before stock exchanges and capital markets self-regulatory organizations, and federal and state criminal investigations, including financial crimes and public corruption, and investigations by committees of the United States Congress. Jacob conducts internal investigations for public, non-public and nonprofit corporations, and represents individuals in internal investigations. Jacob also is an expert witness in cases involving corporate investigations, securities enforcement, securities fraud, stock manipulation and white collar criminal defense matters.

PRACTICE AREAS

Business and Financial Services
Commercial Litigation
Criminal Law
International Practice
Israel Practice

Tulane University Law School, New Orleans, Louisiana, 1984, J.D.
Tulane University College of Arts and Sciences, 1981, B.A. in Public Policy

BAR & COURT ADMISSIONS

Louisiana
Maryland

Jacob S. Frenkel (Continued)

In the area of corporate governance and counseling, Jacob serves as an independent counsel to advise Audit Committees and officers and directors of companies in connection with their fiduciary and compliance obligations, including under the Sarbanes-Oxley, Foreign Corrupt Practices and USA PATRIOT Acts. Jacob's international work includes defense of investigations and compliance counseling in connection with anti-money laundering and international bribery conventions. Jacob previously advised the Indonesian Securities Commission, BAPEPAM, in connection with its anti-money laundering and combating the financing of terrorism regulations and training.

Jacob also provides strategic advice to early stage, privately-held companies planning to go public and smaller publicly-held companies, and established companies considering growth and exit avenues. His clients include individuals, Boards of Directors and their committees, and corporations, including, privately-held and publicly-held companies on United States and foreign securities markets, broker-dealers, stock transfer agents, and hedge funds. Additionally, Jacob's clients include mid-sized and small broker-dealers in their investment banking and regulatory compliance functions, and represents those firms and their brokers in capital raising transactions for issuers and in FINRA arbitrations.

Jacob's 24 years practicing law includes 14 years as a government prosecutor, serving as an Assistant District Attorney in New Orleans, senior counsel in the Division of Enforcement at SEC headquarters in Washington where he specialized in stock manipulation and financial fraud cases and a federal criminal prosecutor in federal securities law-related and public corruption cases for the Office of Independent Counsel, in re Secretary of Agriculture Espy.
