

BURTONSVILLE TOWNE CENTER PROJECT

Timothy Dugan was the lead partner of the Firm in representing BMC Property Group, a Washington Metropolitan and Baltimore Area developer and manager of commercial and residential property, with obtaining the necessary zoning and subdivision approvals for its Burtonsville Towne Center project. The project is located at the northwesterly corner of MD 198 and U.S. 29 and was approved for up to 250,000 SF of retail and 10,000 SF of office space. In addition to the development related work, David Kochanski and Rebecca Oshoway of our Firm have represented the project regarding real estate transaction related work such as entity organization, transfer and recordation taxes, and leasing.
