

THE SCENE

Bisnow

June 3, 2010

We stopped by a reception at the new **Shulman Rogers** offices for the **Path Forward Center for Innovation & Entrepreneurship**, a non-profit aimed at helping **women in technology** move from **tech transfer to commercialization**. Here, co-founders **Julie Lenzer Kirk** and **Renee Lewis**. The event included half the 100 alumni who have graduated from the program in its five years.
