

Real Estate: Personal

Maryland-Based Real Estate Law Firm

Despite the coronavirus crisis, our team continues to conduct **SAFE SETTLEMENTS**.

Clients, realtors and lenders appreciate that their transactions are able to proceed as planned, in a clean, safe environment.

The Real Estate Settlements Practice Group provides you with skilled, experienced and reassuring assistance through the entire settlement process. Our settlement team understands that purchasing and refinancing a home are the largest financial transactions most people are ever involved in. We are here to help before, during and after closing.

"Smooth transaction all around, especially going through these tough times! ... Shulman Rogers made it happen swiftly and safely." – Jared Maites, REALTOR®

"While everyday in this business seems to present new challenges, I am always appreciative that I have you to work with to make it just a bit easier . . . your professionalism, timeliness, responsiveness, all of it is honestly unmatched anywhere else."— Angie Georgilas, Apex Home Loans

Our settlement attorneys include Fellows of the American College of Real Estate Lawyers, past and present Chairs of the Bar Association of Montgomery County's Real Estate Section, and some of the most experienced real estate attorneys in the area. Our settlement paralegals are also among the most highly regarded settlement professionals in the area. Shulman Rogers is an agent for Fidelity National Title Group and First American Title Insurance Company. Our settlement attorneys and paralegals are licensed title producers in Maryland, the District of Columbia and Virginia.

In addition to the residential title services listed above, we also represent parties (including buyers, sellers, real estate brokers, and title agents) in disputes arising out of real estate transactions. These representations encompass contract defaults, commission disputes, and regulatory and ethical compliance.

Our Services

- Ensuring that the terms of the contract or loan commitment are followed and accurately reflected in the final settlement documents.
- Researching the land records and reviewing the property title to be certain all liens, mortgages, judgments, and other legal matters are properly addressed prior to settlement.
- Reviewing the survey to be certain any encroachments, easements or other survey matters are properly

addressed prior to settlement.

- Acting as escrow agent and making sure that all of the money being distributed in the transaction is properly allocated.
- Preparing the deed, ALTA Settlement Statement and other settlement documents.
- Supervising the execution of the settlement documents and conducting the closing.
- Recording documents in the land records necessary to transfer the property.
- Acting as a title insurance agent, issuing title insurance to owners and lenders.
