

## **Commercial Real Estate Closings**

### **Commercial Real Estate Closing Group Serving Maryland, Virginia & Washington DC**

Shulman Rogers understands that closing or settlement represents the pinnacle of your real estate transaction, and few settlement providers, have the depth of our expertise and resources. Our sophisticated and experienced professionals have decades of experience in the acquisition, disposition and financing of real estate.

In addition to having experienced real estate attorneys conduct your closing, our highly knowledgeable staff will keep you advised and informed on all aspects of the transaction, taking the necessary steps to facilitate your settlement. We use the latest technology and provide you with direct and convenient access to all our personnel and documentation.

Our professional staff is with you from the initial structuring and documentation, whether it is the purchase agreement or the loan commitment, until the releases are recorded and the title insurance policy is issued. We work closely with all of the allied professionals, including surveyors, environmental consultants, tax advisors and others involved in the due diligence and evaluation process to make certain that all prerequisites are satisfied and closing proceeds in an orderly and timely manner.

Our best efforts are available to minimize closing costs and structure transactions in a manner to mitigate transfer and recordation taxes wherever possible. The closing practice group has the experience and sophistication to handle all types of settlement transactions from build to suit like-kind exchanges to loan defeasances to multi-state and multi-property acquisitions, financings and dispositions.
