SHULMAN ROGERS

Finance and Capital Markets

Finance and Capital Markets Attorneys With Offices in Maryland, Virginia and DC Serving Clients Nationwide

Our Capital Markets Practice Group provides expert representation for issuers, underwriters, and investors engaged in diverse securities transactions globally. We cater to clientele from multiple sectors such as technology, consumer retail/restaurants, entertainment, life sciences & healthcare, industrial energy, and financial services. With extensive expertise, we advocate for issuers and underwriters across the spectrum of offerings, encompassing initial public offerings and following financial endeavors. This breadth of experience underscores our commitment to excellence in the world of capital markets.
