

Licensing and Other Transactions

We handle the deals that turn intellectual property into revenue, including:

- Patent, copyright, trademark, and other intellectual property ownership, work for hire, and assignment agreements
- Technology transfer and licensing agreements
- Software and content agreements
- Website development agreements, terms and conditions, privacy policies, Americans with Disabilities Act compliance reviews, and consumer protection compliance reviews
- Work-for-hire, confidentiality, and non-compete agreements
- Entertainment and publishing agreements, including endorsement, production, distribution, and merchandising deals

Website development agreements, terms and conditions, and privacy policies are also available on a flat fee basis.
