SHULMAN ROGERS

Mortgage Banking

Mortgage Banking Lawyer Group for Maryland, Virginia And Washington DC

Our Mortgage Banking Practice advises banks, credit unions, mortgage bankers, services and brokers and other finance entities. We provide advice at the federal, state and local level on the following issues:

- Compliance
- Consumer credit
- Mortgage Lending
- Dispute resolution

In addition to regulatory work we provide:

- Corporate and transactional work
- Complex institutional and syndicated financings
- Public and private securities representation
- Bankruptcy and other creditors rights representation
- Real estate and environmental law representation

Members of our Firm serve on the boards of various financial institutions, making a positive contribution and helping us to better understand the operation and business objectives of our financial services clients.
